Qualification: Associate in Computer Science (3rd Year) | Institution: Virtual University of pakistan

SUBJECT: FORMAL INTERNSHIP OFFER LETTER AS VIRTUAL INTERN — FULL STACK DEVELOPMENT

Dear Zoha Abdul Sattar,

On behalf of Arrowstack Technologies, we are delighted to extend this formal Internship Offer Letter for a 1-Month Virtual Internship in the "Full Stack Development" track (Batch 2026). Following the evaluation of your academic background and submitted application, we are confident that your technical aptitude, dedication, and problem-solving drive make you a valuable addition to our student cohort.

This remote internship is structured to provide rigorous industry exposure through practical project modules, structured milestone deliverables, and asynchronous technical mentorship designed in alignment with contemporary software engineering standards.

OFFICIAL INTERNSHIP PROGRAM MATRIX & TERMS

Domain Track:	**Full Stack Development**	Offer Ref Code:	**AS-2026-48996**
Internship Modality:	**100% Virtual / Remote (15-20 hrs/wk)**	Evaluation Basis:	**2 Project Tasks & 2 LinkedIn Posts**
Program Duration:	**1 Month (4 Weeks Standard)**	Mentorship Portal:	**Arrowstack Intern Dashboard**
Tenure Timeline:	**Oct 20, 2026 to Nov 20, 2026**	Credential Award:	**ISO 9001:2015 Verified Certificate**

Key Operational Guidelines, Responsibilities & Terms:

1. Cohort Collaboration: Join the designated Arrowstack Batch WhatsApp Group and community channels to receive task updates, webinars, and live mentor guidance.

2. Practical Project Tasks: Complete your 2 assigned domain project tasks using good software engineering principles, version control (GitHub), and clean documentation.

3. Professional Showcase: Post weekly milestone summaries on LinkedIn detailing your technical learnings, tagging official Arrowstack channels to build industry visibility.

4. Academic 1-Month Tenure Policy: In compliance with ISO 9001:2015 and university accreditation standards, certificates are not issued in advance. Upon task completion and verification, your official credential unlocks on your final internship date.

5. Code of Conduct & IP: All submitted code must represent your original work. Materials provided during the internship remain the intellectual property of Arrowstack Technologies.

We congratulate you on your selection and look forward to your impactful contributions during your tenure.

Sincerely & on behalf of the Mentorship Board,
